- Parts & Accessories.
- Maintenances kits.
- Firewalls, Operating Systems, Microsoft Packages.
- Laptops & Desktops.
- A4 Office paper.
- Co-working space.

All of our products are stocked in our warehouse in:

Colombo:

We rigorously screen our suppliers to make sure that our products maintain the highest levels of quality and durability. Our purchasing department works hard to ensure that we carry the genuine and latest printers and printing supply products. We have experienced phenomenal growth since our start and would like to thank our customers for their continued support.

Banks, Corporate Customers and Public Sector Organizations

IQuest (Pvt.) Ltd. offers special rates for all Converged Systems, which use a common converged infrastructure architecture for server, storage, and networking products.

PC's, notebooks, printers and supplies requirements for all levels of customers. IQuest (Pvt.) Ltd. has a highly dedicated support staff that specializes in providing expert answers tailored to all IT solutions.

Always Low Prices

Because of our extensive, solid relationships with our local and international suppliers, IQuest (Pvt.) Ltd has access to the most cutting-edge technology. The result is reflected in the price and quality of our products.

Core Values

- To maintain a constant and intense focus on our all customers
- To have respect and appreciation for our customers, colleagues, vendors and partners
- To guard and conserve the company's resources as if they are our own
- To build and maintain a healthy and profitable company
- To have the highest standards of integrity in everything we do
- To empower every person on our team to make a difference

We believe that our core values are an important promise to our customers, our suppliers, and our community. We work in an environment where ethics are held in high esteem.
